REASONS FOR ALLOWANCE

(1)

The following is an examiner's statement of reasons for allowance: The prior art of record discloses removing a release liner or carrier film from a base layer by stripping (peeling) prior to curing the base layer between substrates. The prior art of record does not disclose or suggest removing at least part of a sacrificial assembly, comprised of sacrificial layer and release coating, from a base layer of thermosetting material during the curing of the base layer, the removing comprising destruction of the layer (i.e. sacrificial layer) during the curing of the base layer, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

(2)
